2009 HBBA Annual Membership Application and Renewal

The Hampton Bays Beautification Association, founded in 1985, is a non-profit organization dedicated to enhancing the beauty and quality of life in the Hamlet of Hampton Bays. Please visit our New and Improved Website (www.hbba.net) for more information about our projects and events.

Initiative, Interest and Involvement are the key ingredients for our success. Please join our association and together we can make a difference in improving our community.

Our Beautification Project in 2009 will be in partnership with the Town of Southampton and Suffolk County. The Main Street Pocket Park will have a lighted trail that has been dedicated to the late Vince Cannuscio.

Your support and interest is needed now. Please Catch the Spirit by joining us at one of our monthly meetings held on the first Monday of the month (excluding holidays) at 7:00 P.M. at the Hampton Bays Library.

Thank you for your continued support!

Susan von Freddi, President
